ANCIENT BRITONS TOUR OF AUSTRALIA

ON Thursday 9 February the Ancient Britons assembled at Terminal 3, London Heathrow Airport at 10.30 hours, for check-in to Qantas flight QF2 departing at 12.15.

After an uneventful flight lasting 11 hours, they arrived in Bangkok at 07.00 (local time) when they were met by the travel representative and were escorted to the Royal River Hotel, where most of the party retired to catch up on their sleep.

The afternoon was spent exploring the waterways, and they had their first introduction to the 'local brew' - laced fruit drinks. Later they returned and tied up to the hotel's landing stage in time to prepare for a seafood barbeque held in the open on a beautiful balmy night. The party were welcomed by Don Hearley of the Royal Bangkok Sports Club.

First Game

The warm evening of February 11 saw the ABs line up for their first game against the Royal Sporting Club of Bangkok on grass but under lights.

The opposition looked much younger than acceptable veteran age and this proved to be the case but ABs got into their stride and slowly began to contain the Royals who were dangerous on the break.

ABs got the ball in the net but it was foot-aided. Then they scored a legitimate goal, John Carrick netting from a long corner.

Fitness and youth of the Royals began to tell and it was no surprise when they equalised, Roger Carter having no chance in ABs goal. Brian Lomer, who strained his back, was replaced by Alan Filby and the interval came with no further score.

ROGER CARTER

ABs kept possession well in the

second half and John Carrick soon completed his hat-trick. This incensed Royals who pressed hard but Roger Carter made some splendid saves to keep them at bay. Then Royals made five substitutions and got one back, but fifteen minutes from the end Ken Clarke was replaced by Ian Garrod, who immediately scored ABs fourth for a final scoreline of 4-2.

The question in everyone's minds will be: 'Was the bottle of Bell's, being kept for the first win, opened?'. The report does not mention this.

Team: Chris Webb (capt.), John Sharpe, Alan Francis, Arthur Barber, John Polley, Peter Jones, Brian Lomer, Ken Clarke, Clive Richardson, John Carrick and Roger Carter.

The umpires were John Oakley and Bob Moorhouse and Man of the Match was John Carrick.

A satisfying day ended for the ABs with a reception and dinner hosted by the Royal Sporting Club.

JOHN CARRICK

Ancient Aussies

Perth, Western Australia, and the Chateau Commodore was the next stop where the party enjoyed two days' rest before taking on Ancient Aussies on 15 February in the Commonwealth Hockey Stadium at 4.30 when the heat of a glorious day was in decline. Even so, it had been agreed, due to the temperature, that players could be substituted for a spell and return when required.

Early stages were even with most play in mid-field, but Aussies opened the scoring following up for a rebound. The Britons could not settle and Alan Filby, playing well in goal, kept the Aussies out. Eventually after a period of sustained pressure John Carrick equalised. Further inspiration was found and just before half-time Ken

Clarke took the ball across the circle before passing to John Carrick who registered his second goal.

Ancient Aussies started the second half on the rampage but ABs went further ahead, Ken Clarke scoring from a short corner.

ALAN FILBY

Clarke kept up the pressure but could find no way past Alan Filby. Then they had a shot disallowed at a short corner and were eventually not to be denied when, with ABs defence in disarray they scored - and then quickly added the equaliser.

End to end play followed with both teams feeling the effects of their efforts and the temperature. Aussies got the winner when a cross from the right was guided past an unsighted Alan Filby. ABs fought hard to get on terms but it was not to be.

Everyone was exhausted but the game had been played in a wonderful spirit and was a credit to all. Final score was 4-3 to the Ancient Aussies.

Team: Alan Filby, Chris Webb, Brian Lomer, Bob Moorhouse, Ken Clarke, Arthur Barber, John Polley, John Carrick, Clive Richardson, Alan Francis and Peter Jones.

John Oakley umpired and Alan Filby was declared Man of the Match.

Adelaide Veterans

Two days later our intrepid travellers boarded an Ansett Airlines flight for the 5-hour trip to Adelaide where they were to stay for four days at the Meridien-Lodge. They had about 24 hours to take stock of their dwindling playing strength before facing the Adelaide Veterans.

The eleven remaining fit men lined up in the magnificent Pines Stadium at 4 pm the next day. There were no reserves available with one player absent and two on the sick list.

The home side were in control from the start and Alan Filby carried on where he left off in Perth, but the pressure mounted, and inevitably the Adelaide Veterans scored the first, giving Alan no chance.

Further misfortune followed. Arthur Barber left the field with heat exhaustion, leaving ABs with ten men and it was not long before Adelaide scored again from a melee in the circle, despite Alan Filby's continued outstanding form in goal.

Arthur's return to the field did not stop the home side adding their third. But just on half-time John Carrick sustained a badly twisted ankle and took no further part in the game.

With only 10 fit men ABs put Roger Carter, who was suffering from heat exhaustion and stomach upset, into goal so that Alan Filby could bring the field players up to numbers. ABs played with great spirit, but with Adelaide able to make full use of their 16-man squad the battle became very one-sided.

Adelaide scored with regular monotony until with seven against them ABs threw caution to the winds and scored a consolation goal through Arthur Barber.

John Polley, who ran his heart out trying to cover in defence as well as maintaining his place in the attack was declared Man of the Match.

Final score: Adelaide Veterans 7 Ancient Britons 1.

JOHN POLLEY

Over 50s

Two days later Ancient Britons played their second game in Pines Stadium against South Australian Over 50s.

Good steady work by the ABs defence early in the game kept the Over 50s at bay, but eventually the

home side scored when they broke away following a wasted AB short corner. The first half finished with Roger Carter making three fine saves, John Sharpe clearing off the line and Chris Webb playing a captain's game at full back.

Early in the second half ABs had a chance but the Australian keeper saved Ken Clarke's stroke. The over 50s got back in the game and scored twice more before the end with no reply from ABs.

Again the visitors seemed unable to get the best from their set pieces, of which there were many. The penalty stroke, and corners alike were all missed scoring opportunities.

Final score South Australian Over 50s 3 Ancient Britons 0.

Team: Roger Carter, Chris Webb, Brian Lomer, John Sharpe, Ken Clarke, Arthur Barber, Peter Jones, John Polley, Clive Richardson, Alan Francis and Alan Filby.

John Oakley umpired and Bob Moorhouse was substitute. Man of the Match was Chris Webb.

CHRIS WEBB

Victoria Veterans

A threatened air strike did not materialise and the party arrived safely at Melbourne on 21 February where the weather was not too hot, the food excellent and the Fosters being consumed at a steady rate, led by Chris Webb.

Royal Park, 4 pm, February 22 against Victoria Veterans, was the next pitch-call for ABs.

The first half was a story of missed chances by both teams with Victoria getting the only goal, breaking away with the AB's defence flat-footed.

The second half started well for ABs, but not before they had missed three short corners did Clive Richardson make no mistake with a cross from the right. Goals followed at regular intervals VVs getting three more and Ken Clarke getting ABs second with a well taken short corner.

The Victoria club put on a grand barbeque after the game for all concerned and Mr J. W. Smith, President, welcomed the party. John Carrick replied for the Ancient Britons.

Final score Victoria Veterans 4 Ancient Britons 2.

Team: Roger Carter, Chris Webb, Brian Lomer, John Sharpe, Ken Clarke, Arthur Barber, Peter Jones, John Polley, Clive Richardson, Alan Francis and Alan Filby. Substitute: John Reynolds.

Umpires were John Oakley and Brian Jansz. Bob Moorhouse and John Car-

rick remain on the injured list, both with ankles. Man of the Match was Ken Clarke.

A.C.T. (Australian Capital Territory)

Saturday 25 February saw ABs at Canberra where the magnificent Institute of Sports complex has a plastic pitch regarded as the best in Australia. The GB team asked to use it for training prior to the Olympics in Seoul.

With the temperature in the low eighties the game started at 2 pm and although ABs pressed and won two corners the home side scored twice, both giving Alan Filby no chance. Alan continued to play well but he could not stop ACT Vets from scoring twice more to give them a 4-0 lead. This was reduced just before half-time by Vince O'Connor, guesting for ABs.

ACT continued to dominate in the second half, but allowed Clive Richardson to break away and get AB's second goal.

Peter Jones left the field with a pulled muscle and shortly after, owing to the substitution of players due to heat, Chris Webb found himself on the right wing. Chris relishes such a challenge and he was soon on one of his famous runs - round the back, round the 'keeper and hey-presto, a goal!

With the score now 4-3 and with ABs transformed, Chris went on a second run and crossed for Ken Clarke to steer the ball into an empty goal and tie the score at 4-4. Then Vince O'Connor scored his second and the ABs led. However, this state of affairs did not last long as ACT Vets scored twice in the final minutes to win 6-5.

After the game the visitors were entertained to yet another barbeque, more drink, plus a few songs!

Team: Alan Filby, Chris Webb, Brian Lomer, John Sharpe, John Polley, Arthur Barber, Peter Jones, Clive Richardson, Ken Clarke, Alan Francis, John Reynolds and Vincent O'Connor. Roger Carter was substitute and John Oakley again umpired.

CLIVE RICHARDSON

The Ancient Britons still have Bob Moorhouse on crutches and John Carrick with his badly strained ankle. The injury list has increased with Peter Jones and Brian Lomer with pulled muscles. Having played the majority of their hockey over recent years on grass, the ABs are finding it difficult to adjust to plastic. To date, the only tour game on grass was the first one, at Bangkok, which they won.

We leave our footsore veterans in

Canberra, with the sincere hope that all the injured will soon be back in the fighting line. Reinforcements are due to arrive in Sydney on March 3 in the shapes of Paul and Peter Bloomfield, Steve Hattersley, Rod Harling and Roger Fry.

The rest of the tour will be reported in the next edition of Digest.

Scottish Veterans

HATTY NEW YEAR!

With 27 goals in 4 matches this year already, it is hardly surprising that we have had a few hat-tricks. Hew Bishop, or thunder-thighs as he is (affectionately) known in and around Sevenoaks, gave us a head start with 3 goals (1 penalty) for Fifers against Craigsdale; (the unlikely) Marshall Blair nosed ahead with 3 goals in a revitalised Dyes performance against Kelburne; Malcolm Macdonald capped that with all the goals for Waveresk against Western, and John Hendry, clearly upset that Grange's leading goal scorer was not getting enough publicity, crowned all previous performances with 5 goals against Perthshire. What a topper. Let's hope it doesn't go to his head. Did someone say "hair, hair"?

An early December trouncing of Inverosians puts Grange back on the trophy trail. For Grange's third goal Dougie Green shot with the back of the stick, which is really rather reprehensible, and might have incurred a forfeit by the Administration for not admitting the offence. However, since it was Pat Skene of Inverosians who actually kicked the ball in, we felt we could take a broader view. Consolation for Inverosians was a splendid goal by Nigel Sharp. However, it was small consolation to him as he was substituted almost immediately afterwards!

Preston Hockey Veterans

PRESTON hadn't beaten Southport for about 5 years and this game is not the best start to a new year. However, on this occasion Preston were in sparkling form and soon went ahead when John (worst inside forward in England) Gibson 'cleverly' deflected an attempted Southport clearance into the back of the net. Tony Oakes, playing aggressively at centre forward scored two fine goals to give Preston an interval lead of 3-0, and although Southport sneaked one in under Phil Western's boot, Mike Bedford restored the margin.

In their match against Blackburn, Preston had difficulty in adjusting to a rather poor astro turf surface and it came as no surprise when Blackburn scored an early goal and generally had the better of the first half. Things did improve after the interval with Preston having the balance of play, but chances were missed which included John Gibson (the now redundant penalty flick taker) managing to put a penalty wide of the goal.

Heavy overnight rain made conditions only just playable in Preston's game against Cheetham Hill. The home side played well in the early stages and were rewarded with a goal through John and Mike. Early in the second half Cheetham Hill equalised and although Preston went ahead from a short corner, the opposition levelled the score in the last minute in a defensive mix-up.

The Colwyn Bay party arrived 50 strong in a bus carrying a Jug which held three gallons and ensured a very lively post-game session. This time the pitches really were too wet and the game was transferred to the shale pitch at Fulwood, which was in excellent condition. Both sides played good open hockey with Preston's passing much better than it usually is. They were a bit handicapped when Mike Muldowny, playing his first game for the team, pulled a hamstring after 20 minutes and had to limp through the rest of the game - he would have gone off but feared that he wouldn't be allowed to drink if he did. The only goal of the game was scored early in the second half by the short corner combination of Gibson and Bedford.

It was an early start for Wolverhampton and the Old Wulfs. Everyone made it and indeed both sides ended up with 12 men so that rolling substitutes were used. The game was played on a difficult astro turf pitch which Preston found troublesome and they soon went behind to a fine goal. Things settled down in the second half with Preston attacking and, as usual, missing chances. A penalty flick was missed by Tony Oakes and a second by David Illidge. These two saves were well made and could be said to have cost Preston the match.

Penalty flick takers are wanted. On current performance it now takes only 1 year and 1 week to get to the top of the list. The last man who got there, lasted just 12 seconds!

VETERANS DINNER ON FRIDAY APRIL 21st 1989.

COME TO THE JUNIOR AND SENIOR DIVISIONAL TOURNAMENTS AT COVENTRY SCHOOL MAY 13 AND 14
(A Veterans event is included in the programme)

OLD CRANLEIGHANS VETERANS

Dick Brown found time to produce a splendid souvenir programme and John Massie made sure of a vast profit.

The day to day running of the Festival was undertaken by the Festival Committee, which included Clive Neil-Smith, Graham Vaughan, Sue Brown, Amanda Howcroft, Wendy Armstrong and Neil Colbourn.

BREAN

Five teams took part in the Veterans section of the 53rd annual Easter festival organised by the Brean Hockey Club and the Weston Ladies Hockey Club.

The pitches, under water on Friday morning, made a remarkable recovery, due to the work done by the groundsmen of the Woodspring District Council.

This enabled the Clodhoppers, Knots, Phantoms, Torpids and Brean to play all their games on grass. Winners of this year's event, making a welcome return, were the Clodhoppers, winning three games and drawing one - GF 14, GA 6. Runners-up were Brean, winning two and drawing two - GF 8 GA 6.

Mr Charles Clutterbuck, Festival President, presented the Veterans Shield on Easter Monday. The *Weston Mercury* Top Scorer Award went to John Houcher of the Clodhoppers.

EDITOR BY MAY 25th**

Other Events

Wokingham Hockey Club will be holding their annual veterans tournament on Sunday May 21 and not the 14th as originally planned.

Teams from Sonning, Newbury, Farnham Common, Wokingham, Winchester, Old Tauntonians and Chichester will play a series of matches, starting at 9.30 am and continuing through the day until 5.30 pm.

Each team will play six games of 20 minutes' duration on the one synthetic surface.

The Epsom Gypsies have recently been invited to participate in the Inter-Club Veterans Tournament in Malaysia in October 1990.

Not surprisingly there has been insufficient interest among the Gypsies to send a side, so the invitation has been declined. However, there have been expressions of interest from three of the Epsom Gypsies. So if there are any other clubs who have also been invited and are looking for players to make up their squad, the man to contact is Arthur Wadsworth, The Chestnuts, Farm Lane, Ashted, Surrey KT21 1LJ. Tel: Ashted 73517.

This tournament is being organised by Sultan Ahmad Shah's

veteran hockey team in conjunction with the Year of Tourism in Malaysia. Invitations have been extended to clubs in hockey playing countries throughout the world. To facilitate the travelling and accommodation, a package deal is being worked out by the authorities concerned.

As a matter of interest, the age qualification for this tournament must be 40 years old as at 1st January 1990.

Bournemouth & West Hants Hockey Club has recently put forward, to the Hampshire Hockey Association, a proposal that an over 35s hockey league be formed within the county.

Because of the lack of support for 'open league hockey', it is felt that, because of their large membership, it is vital that opportunities of league hockey should be offered to this age group in order that the younger players can be given the chance to savour the delights of league hockey in the existing league structure.

The County Executive has no objection, subject to the approval of the format and rules when such an organisation has been achieved. The final decision, quite obviously, must rest with the clubs concerned.

ANCIENT BRITONS TOUR (Continued)

ON TUESDAY February 28, for their second game in Canberra, the ABs opponents were, once again, the A.C.T. Veterans. The game was played at 4 pm in a temperature of 25/30°C at the Institute of Sport with television and newspapers reporting.

With John Carrick back from his ankle injury and Roger Evans, late of the United Services, it was not long before the match developed into a mid-field tussle. The Australians were the first to score through Vince O'Conner, but Arthur Barber put the score on equal terms, with a well taken penalty stroke. Goals came regularly, until the score reached 4-3 in A.C.T.'s favour.

At this stage the ABs began to wilt and with one final burst from their opponents, conceded one more goal at a short corner to make the final score 5-3.

The A.C.T. Veterans entertained their visitors right royally in the evening, during which time awards were made to Chris Webb, John Sharpe and Bob Moorhouse.

Brian Colquhoun welcomed the Ancient Britons and their wives. Captain Webb replied on behalf of the tourists. The official part of the evening finished with a rendering of the ABs fighting song - words to the tune Men of Harlech. I must get a copy of the words and find out what

connection Harlech was with the Ancient Britons!

Team: Roger Carter, Chris Webb, John Sharpe, John Reynolds, John Polley, Arthur Barber, Peter Jones, John Carrick, Clive Richardson, Alan Francis, Alan Filby.

Substitute: Roger Evans.
Umpire: John Oakley.

Man of the Match: Roger Evans.

After two days away from hockey, the ABs played the first of their two games in Sydney, on Friday March 3 at the Moorbank Liverpool Hockey Complex.

The game got off to a bad start, as the home side were very late in arriving and as a result, the game had to be cut. The ABs never really put their act together, missing various assorted corners and making half-hearted passes which should have resulted in goals.

The Moorbank Vets scored twice in the first half and it was not until well into the second that the ABs registered a goal through Peter Jones, after some good defensive work by Arthur Barber and John Sharpe. Final score - Moorbank 2 ABs 1.

Team: Roger Carter, Chris Webb, John Sharpe, John Polley, Arthur Barber, Peter Jones, John Carrick, Kevin Rix (guest), Clive Richardson, Alan Filby,

A. N. Other.

Umpire: Bob Moorhouse.

Man of the Match: John Carrick.

On March 4 the ABs travelled to Wollongong for a three-day stay, where reinforcements caught up with them in the shapes of Peter and Paul Bloomfield, Steve Hattersley and Rod Harling.

The match in Wollongong was played on Sunday March 5 against the Illawarra Veterans on the first grass since arriving in Australia.

Before the game, both skippers were presented to the Mayor, Frank Arkell, who addressed the gathering. The skippers replied and the Ancient Britons presented their pennant to the Mayor.

With the new blood in the team, and playing on grass, the ABs soon settled down to play open and well drilled hockey. Steve Hattersley was soon in command of the mid-field, breaking up most of the attacks and spraying passes to both wings, which kept up continuous pressure on their opponents.

Unfortunately, they were unable to capitalise on this pressure and it was against the run of play when an Illawarra forward rounded the ABs grounded keeper to score the first goal of the match.

After a series of short corners, all well saved by the host keeper, John Carrick latched onto a pass from John Polley to equalise. John scored again early in the second half to take ABs into a 2-1 lead. This did not last long as Illawarra converted a short corner and a penalty stroke, the latter as a result of Steve having been adjudged to have pushed an opponent, to give the final scoreline of Illawarra 3 ABs 2.

Team: Rod Harling, Chris Webb, John Sharpe, John Polley, Arthur Barber, Peter Jones, John Carrick, Clive Richardson, Peter Bloomfield, Paul Bloomfield, Steve Hattersley.

Reserve: Alan Filby.

Man of the Match: Steve Hattersley.

STEVE HATTERSLEY

On Tuesday March 7 the ABs returned to Sydney in time to face, for the second time, Moorbank Liverpool Veterans. Playing in the Sports Complex at 5 pm with the temperature at 35°C and humid, the ABs had plenty of reserves and two guests.

They quickly got into their stride and it was not long before Gary Hicks scored the ABs first goal. They were now playing their best hockey of the tour and after gaining several short corners and hits around the circle, John Carrick scored from a good passing move.

Moorbank came back strongly forcing a number of short corners, all of which were well saved by Rod Harling. From a long clearance, John Carrick ran through to see his shot go wide. However, he was not to be denied, as moments later his rasping shot gave the keeper no chance. Half-time came with the ABs leading 3-0 and with the Moorbank Vets trying to get back into the game, but with the ABs defence playing soundly they did not have much success.

Both teams were now interchanging their players to overcome the heat, which, for once, found the ABs faring better than their opponents. By this time the visitors could do no wrong, scoring two more goals through John Carrick, bringing his personal tally to four.

A minute before time Moorbank scored a consolation goal for a final score of 5-1 to the ABs.

Team: Rod Harling, Chris Webb, Arthur Barber, John Sharpe, Steve Hattersley, Paul Bloomfield, John Polley, Gary Hicks, Don Kyle, Peter Bloomfield, Alan Francis.

Reserves: Clive Richardson, John Carrick, Peter Jones, Alan Filby.

Man of the Match: John Carrick.

The scene now changes to the Seacrest Apartments, Surfers Paradise on the Gold Coast, for a four-night stay. There was a possibility of a hockey match, but in the meantime, the tourists played golf, cruised to Ladbroke Island, and spent time at the Currumbin Bird Sanctuary and Dreamworld.

This period of relaxation was shattered at 4.30 pm on Sunday March 12, when our revellers found themselves up against the Combined Gold Coast Veterans at the Palm Beach All Stars Hockey Club.

The match was played on grass with the usual number of short corners being taken and missed by both teams. However, as the ABs got used to the 'long' grass and succeeded in hitting the ball hard enough to get from one player to another, Clive Richardson broke through the foliage and scored.

This set-back seemed to have an effect on Gold Coast, who started to come forward with some dangerous forays, one of which ended with the ball being put over the ABs keeper into an empty goal. What had enticed Rodney off his line?

This turned out to be a vulnerable time for the ABs goal area, which saw Rod diving and lying on the ground and the C.G.C. forwards waltzing round

him, only to find Arthur Barber saving on the line.

The second half was much like the first until the Gold Coast scored from a breakaway. But it was not long before John Carrick said that enough is enough and scored following a fine solo run.

With ten minutes left the ABs put on so much pressure that the C.G.C. were hitting the ball upfield just to give themselves breathing time and space. But still the onslaught continued with Paul Bloomfield scoring a goal which was disallowed. Final score was 2-2.

Team: Rod Harling, Chris Webb, John Sharpe, Paul Bloomfield, Steve Hattersley, Roger Fry, Alan Francis, John Carrock, Clive Richardson, Peter Bloomfield, Peter Jones.

Substitutes: John Polley, Alan Filby, Arthur Barber.

Man of the Match: Clive Richardson.

Umpires: Bob Moorhouse and Lindsay Lawer.

On Tuesday March 14 Surfers Paradise was vacated and after a journey via Brisbane, the ABs arrived at the Cairns Colonial Club in Manunda Cairns, Queensland. Wednesday was spent exploring the Barrier Reef and Island.

This exploring must have had its effects on our travellers as they suffered one of their worst defeats. The game was played on Thursday March 16 at the Brotherhood Hockey Club at 6.30 pm on a grass pitch under lights in a humid atmosphere as may be expected in the tropics.

The Cairns team were much younger and had many replacements to call upon. The going for the ABs was tough and with Cairns scoring their first goal within four minutes, things got tougher.

With goals coming at regular intervals, the Cairns side were playing as though there was no tomorrow. The ABs battled on with Arthur Barber in defence always looking tidy when tackling and clearing his lines. In the midst of all the turmoil John Carrick found time to score his 14th goal of the tour.

Final score: Cairns 7 ABs 1.

Team: Rod Harling, Chris Webb, John Sharpe, Paul Bloomfield, Steve Hattersley, Arthur Barber, John Polley, John Carrick, Clive Richardson, Peter Bloomfield, Alan Filby.

Substitutes: Alan Francis, Peter Jones, Roger Fry.

Man of the Match: Arthur Barber.

ARTHUR BARBER

The last game played on Australian soil was against the Townsville Veterans. It took place at the Townsville Hockey Centre at 6.30 pm on Saturday March 18 on a superb plastic and sand pitch with lights like daylight.

These conditions were quite the best experienced in Australia and, as it turned out, the standard of hockey matched the conditions. The match started a little late, as each player was introduced individually by name and had to run out onto the pitch. There had been a considerable amount of publicity in the local press concerning the event, which had promoted a great deal of interest.

The first half produced some excellent hockey, with sides playing at a good pace. Both goalkeepers were constantly in action, making great saves which ensured a goalless situation at half-time.

The second half saw Townsville increasing the pressure and as a result scored a well deserved goal. During the last ten minutes the ABs tried everything in the book to level the score, but to no avail and the final score remained 1-0 to Townsville.

After the game the ABs were treated to a very enjoyable evening with good food, wine and beer, which was finally curtailed by a thunder-storm.

Team: Rod Harling, Chris Webb, Arthur Barber, Paul Bloomfield, Steve Hattersley, Roger Fry, John Polley, John Carrick, Clive Richardson, Alan Francis, Peter Jones.

Substitutes: John Sharpe, Alan Filby, Peter Bloomfield.

Umpire: Bob Moorhouse.

Man of the Match: Rod Harling.

ROD HARLING

And so they bade farewell to this tropical island paradise with its sun-kissed plastic hockey pitches, endless barbecues and missed short corners. The party arrived in Singapore on Monday March 20 for the final three days of the tour.

Most of the time was spent exploring the city, not to mention the culinary delights of the Excelsior Hotel. The match against the Singapore Hockey Club could almost appear as an afterthought, taking place on their last day, Wednesday March 22.

The setting and clubhouse were grand, bearing the colonial standard of the pre-war years. As may be expected the Singapore team were of a younger age and included a number of Asian players with very good stick expertise.

It was an enjoyable game, played on grass and well umpired by Captain Arul Subramanian and Mr M. Neethi-

aivan. Both these gentlemen served on the Seoul panel.

The final score was Singapore Hockey Club 3 Ancient Britons 1, and after the game presentations were made during the evening's entertainment. Roger Fry thanked all concerned on behalf of the Ancient Britons.

Team: Roger Carter, Chris Webb, Arthur Barber, Peter Bloomfield, Steve Hattersley, Alan Francis, John Polley, Peter Jones, Clive Richardson, Roger Fry, Alan Filby.

Substitutes: Bob Moorhouse, Paul Bloomfield, John Sharpe, John Carrick.

Man of the Match: John Sharpe.

JOHN SHARPE

Thursday brought a final chance for shopping etc before transferring to the airport for their evening flight to London Heathrow. They arrived at London at 0530 hours and then dispersed for home.

JOHN OAKLEY

One final word for the time being. I am sure that the players would like to thank their two umpires, John Oakley and Bob Moorhouse, for all the work they did both on and off the field.

BOB MOORHOUSE

Tour Statistics

P-14, W-2, D-1, L-11,
GF-33, GA-53

Of the 19 players taking part in the tour, Arthur Barber, Alan Filby, Peter Jones, John Polley, Clive Richardson, John Sharpe and Chris Webb played in

all 14 matches.

John Carriek was the top scorer with 14 goals including two hat-tricks.

The first three when the points were totted up in the Man of the Match table were: Alan Filby—24, John Carriek—23, Clive Richardson 20.

From the 92 short corners obtained throughout the tour, only two goals were scored direct.

Guest players: Ian Garrod, Vince O'Conner, Roger Evans, Simon Cockman, Gary Hicks.

Final game v Bournemouth

The ABs concluded their fixtures for the season by playing the Bournemouth Veterans on Monday March 27 at the Bournemouth Easter Festival, for the Norman Jones Memorial Cup.

The match was played on one of the new plastic pitches and commenced with two minutes' silence for Norman Jones who died last year. Norman played in goal for Wales and was secretary of the Bournemouth club for many years.

The game was even throughout with Peter Jones scoring for the ABs in the first half. Bournemouth levelled the score during the second half and so it remained until the final whistle.

Honours were still even after a series of penalty strokes. Two further strokes were taken by each team, but the deadlock remained. It was at this stage that the captains decided on a drawn game.

Mrs Jones presented the cup to both captains.

Ancient Britons: from Alan Filby, Chris Webb, Paul Bloomfield, Peter Bloomfield, Steve Hattersley, Alan Francis, John Polley, Clive Richardson, Ken Clarke, Peter Jones, Arthur Barber and John Sharpe.

Man of the Match: Peter Jones.

Umpires: John Oakley and Bob Moorhouse.

OBITUARY

DARREN MILLS

AS REPORTED briefly in Eric Ford's "Kent Corner" in the February issue of *Hockey Digest*, Darren Mills, a member of the Old Holcombeians Hockey Club collapsed and died whilst playing in the Mid-Kent Indoor League at Larksfield, Maidstone on 8th February. He was 21 years old.

The suddenness and nature of his death, he choked on his own vomit following an innocuous collision with an opponent, came as a devastating shock to his friends and family as well as the whole hockey community, and cast a shadow over the club's, ultimately successful, bid for promotion from Kent Division 1 of the Peroni League.

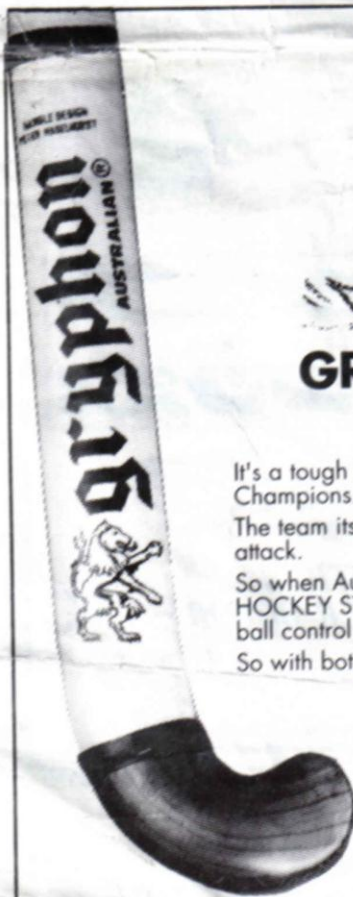

Darren first played for Old Holcombeians as a 16-year-old schoolboy in December 1983. Since then he had played 120 games for the club with his 90 appearances in the 1st XI being an indication of his tremendous natural ability. He also won a place in the Kent U-21 XI in the middle of season 1985/86 and held his place through the following two seasons when the team won the Southern Counties Championship once and were beaten semi-finalists the following year.

Excellent player though he was he will be most remembered as an engaging and thoughtful character who was popular with people of all ages, and not just within his own peer group.

Outside of hockey Darren was a keen music fan with very catholic tastes and it was with this in mind that his parents arranged for a traditional jazz band to play at his funeral at Breadhurst Village Church. The simple service was attended by over 250 people, many of them from the world of hockey, the size of the congregation telling its own story of Darren's popularity and the sadness felt at his untimely death.

He will be sorely missed.

I.M.

GRYPHON HOCKEY STICKS- PACKED WITH PUNCH!

It's a tough life down-under, and it's a tough battle getting to be World Champions.

The team itself is constantly under great stress, and their equipment is under attack.

So when Australian team member Peter Haselhurst designed the GRYPHON HOCKEY STICK he had durability in mind, combined with achieving the best ball control to get the best results.

So with both the Australian men and women using GRYPHON in the 1988 Seoul Olympics and top English players turning to them in the UK, this is your chance.

Take up the challenge and call MUD SWEAT & TEARS LTD on 0344 773090.
